COMPLETION CERTIFICATE FOR ABU HADRIYAH PROJECT

To Whom It May Concern

This is to certify that M/s. Middle East Technical Services Est. (METS) has completed SEC-EOA Contract No. 30531099/00 – Construction of New 380/115kV Abu Hadriyah BSP Substation Project with us under their following Scope of Work.

METS has performed the Installation, Testing and Commissioning for LS make Cable and Accessories as per the following bill of materials :

115kV Cable and Accessories :-

☞ 115kV, 1C x 2000mm ² XLPE Cu Cable	: 4,000 m
☞ Transformer Sealing Ends for 115kV, 1C x 2000 mm ² XLPE Cu Cable	: 18 Nos.
☞ GIS Sealing End for 115kV, 1C x 2000 mm ² XLPE Cu Cable	: 18 Nos.
☞ Link Boxes (LB-3B)	: 6 Nos.
☞ Link Boxes with SVL (LB-3AB) Standing Type	: 6 Nos.

During the execution of METS Scope of Work, we found that they are organized and fulfilling their commitments and deadline on time with the Client. METS have carried out their work with Quality Service and High Workmanship.

However, this certificate shall not be deemed to have relieved METS of their obligations with respect to defective Workmanship, Material or Equipment made known within the guarantee / warranty of period.

This certificate has been issued to METS upon their request for whatsoever purpose it serves.
